REAL PROPERTY vibe

Disease Prevention

Wash your hands
often with soap and
water for at least
20 seconds

SOURCE: WORLD HEALTH ORGANIZATION

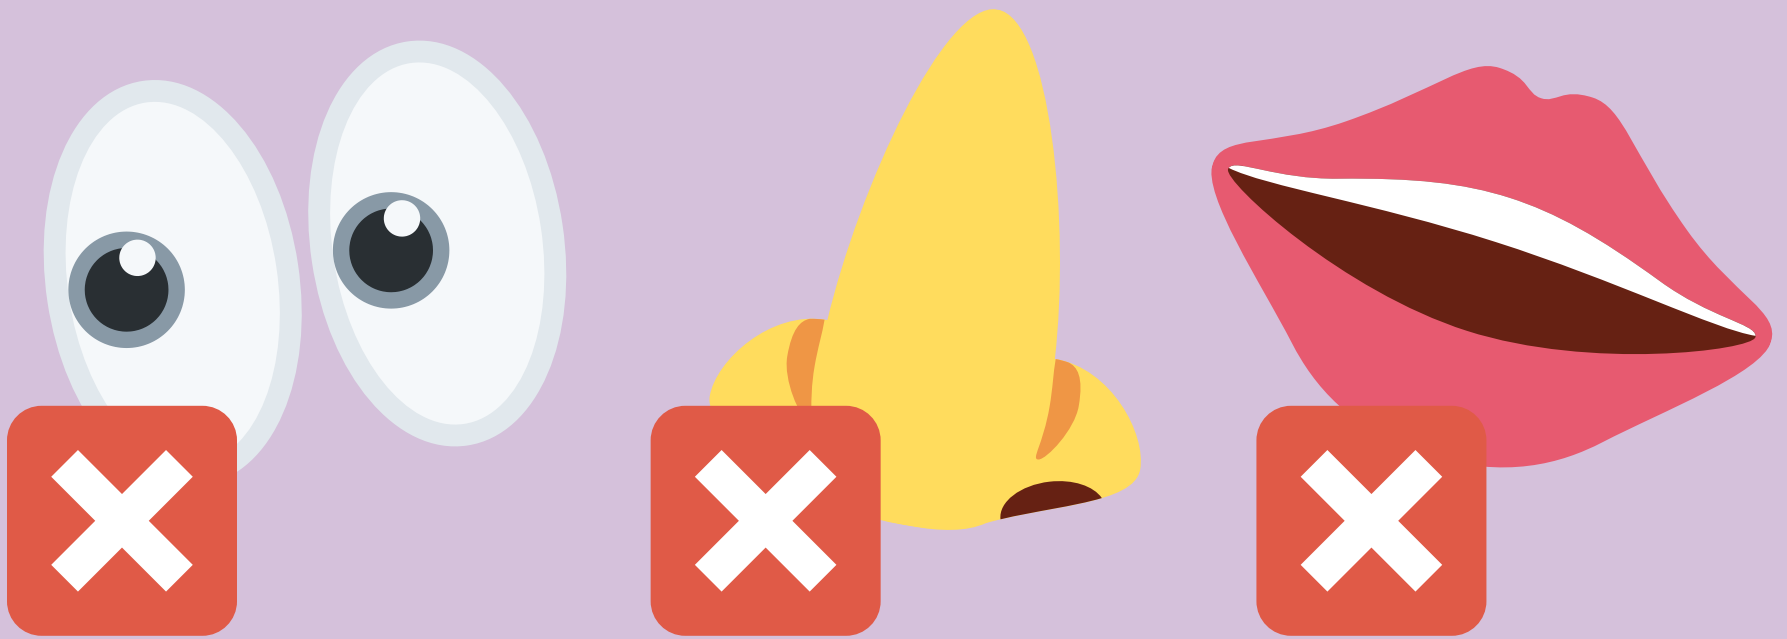

In the wake of Coronavirus pandemic, we have implemented new procedures to protect the safety of the public, our clients, and our staff.

All private appointments to view a property will now meet a comprehensive qualification process.

These steps will include purchasers to:

- View the property online and view video tours via our website or socials either Facebook or Instagram.
- Complete a drive-by of the property to make sure you are satisfied with the property's location.
- Be an unconditional purchaser with finance approvals in place.

Disease Prevention

**Avoid touching your
eyes, nose and mouth.**

SOURCE: WORLD HEALTH ORGANIZATION

This process is in place to ensure the safety of all parties involved and to maximise efficiency during a very difficult period of time for everyone.

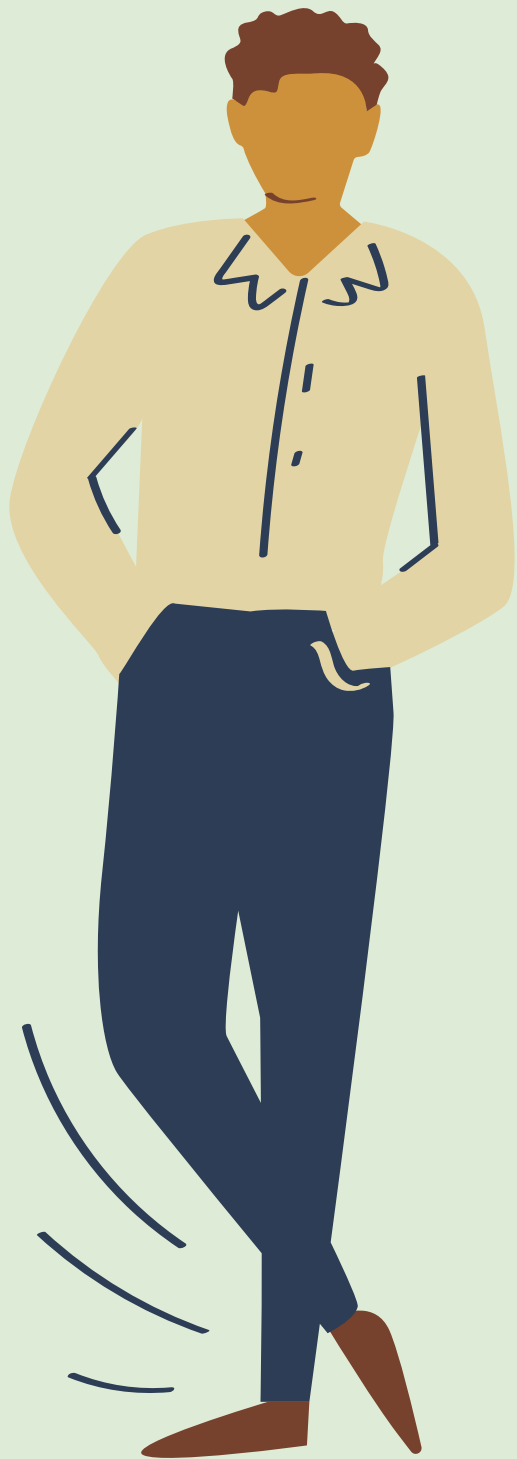

We urge people not to book appointments if you have any flu like symptoms or if you have been feeling unwell. Re-schedule.

Similarly, if you have been in contact with anyone recently returned from overseas in the last 14 days please refrain from booking a viewing. Re-schedule.

Disease Prevention

**Maintain
social
distancing**

We thankyou for your understanding.

Stay safe, stay well.
